# Hopkins Piano Studio Information

## Welcome!

It is a pleasure to share my love of music with my students. I have maintained a private studio since 1991 and have had the privilege of teaching students as young as three and as mature as eighty-three years of age. I have taught students who have studied for pleasure and enrichment, and students who have studied for careers in music. I enjoy sharing the gift of music with my students, and I strive to provide a learning environment that is positive and fun. My goal is to teach students to be excellent musicians so they can enjoy and express themselves through the language of music throughout their lives.

## Mrs. Hopkins' Education and Experience

Mrs. Hopkins has maintained a private piano studio since 1991. She has a Bachelor of Music degree in Pedagogy and a Master of Education in Teaching Music from Bob Jones University. She has served in church music ministry since she was a teenager. In private schools, she has also taught violin, handbells, choral music, band, and general music. She has successfully prepared students for Guild auditions and Royal Conservatory of Music and Theory Exams.

## Private Lessons

Piano (beginner to advanced). Intermediate to Advanced level piano students are encouraged to take a 60-minute lesson.

### **Tuition Rate per Weekly Scheduled Private Lesson: 30-minute - \$25, 60-minute – \$50**

Tuition is charged by the month in advance and is based on the number of weeks in the month (see Studio calendar). Payment is due by the last lesson of each month to reserve the lesson time for the upcoming month. Tuition is based on enrollment, not attendance, reserving the student's exclusive lesson time every week, whether they attend lessons or not.

### **Tuition Rate per Individually Scheduled Private Lesson: 30-minute - \$35, 60-minute – \$70**

Individual Lessons may be scheduled for those wanting the freedom of as-needed lessons. These are subject to availability in the schedule and must be purchased in 6-lesson packages to be used within 6 months of purchase.

## Studio Benefits

Lesson Instrument: Bösendorfer Grand Piano

Online Music Studio Account for Families and Students (log practice, view notes, attendance, resources, account)

Piano Maestro (iPad App) Unlimited access for home and studio use

Performance Opportunities at the Studio Recitals

Achievement Opportunities with the Royal Conservatory of Music, and the National Piano Guild Auditions

## Needed Materials

Instrument: Piano students must have a piano available to them for practice (a well-tuned acoustic piano that is in good condition or an 88-key digital piano with weighted keys).

Metronome: Students need a metronome for home practice. There are many free metronome apps available.

Music: Students are responsible to pay for the music needed for lessons.

## Attendance Policy

- Students are encouraged to attend all lessons on time and with their music to ensure steady progress.
- A student who does not attend a lesson will miss the benefit of that lesson. There are no refunds, credits, or make-up lessons. Tuition reserves your child's exclusive lesson time every week, whether they attend lessons or not.
- Several Master Classes are scheduled throughout the year that students may attend at no charge.
- Students who miss a lesson can submit a video of them performing their assignment for feedback within two weeks of the missed lesson.

- All students are invited to access the iPad app, PianoMaestro. It is a great resource to use in the event you are unable to attend a lesson.
- A credit or refund will be given for any lesson the teacher cancels.
- Any lesson that cannot be attended in person may be taken by phone, Zoom, Google Meet, or FaceTime. Please use 717-577-2693 for Face Time. Zoom Link:

### **Practice Policy**

- Consistent practice is necessary to make steady progress. Regular practice yields steady improvement, leading to greater satisfaction and enjoyment of music study.
- Students are encouraged to practice at least 5 days a week, the length of their weekly lesson time.

### **Master Classes at Hopkins Piano Studio**

There are several, hour-long master classes during the year that students may attend at no charge. These Master Classes provide an opportunity to make up for missed lessons. Students must register with Mrs. Hopkins if they would like to attend. Master Class activities include a chance to perform for peers in a relaxed setting.

### **Lesson Etiquette at Hopkins Piano Studio**

To respect each student's lesson time, please arrive no earlier than two minutes before your lesson time. Due to limited seating, one adult guest is invited to attend lessons with the student.

### **Photo and Video Sharing**

Please let Mrs. Hopkins know if you grant or do not grant permission for Hopkins Piano to post pictures and/or videos of your child or children on the Hopkins Piano Face Book Page, [hopkinspiano.com](http://hopkinspiano.com), Instagram, and on YouTube.
